# The Talent

Kellie Burke is the powerhouse behind this chic brand. She curates a livable and luxurious lifestyle through travel and the pursuit of incredible experiences. In both her interiors and her product designs, Kellie gravitates towards an Old World style combined with modern, functional accents. She believes in taking a daring route to pump up a room or a product's style in dramatic ways.

Kellie's inventive creativity gives her interiors and product designs a daring departure from ho-hum design in the home arena. She has a fresh perspective that is out of the ordinary, making her brand a standout from other designer looks.
